EMPLOYMENT HISTORY

Physical Therapist

June 2017 – Current

OrthoCarolina – Affiliate with UNC-Charlotte Athletics
Charlotte, NC

- Part-time Physical Therapist participating as outreach for UNC-Charlotte Athletics to provide care for all school sponsored sports, primarily providing care for those treated operatively as well as more complex pathologies. Working together closely with Athletic Trainers, Strength Coaches and Physicians to manage these athletes' conditions to ensure timely return to sport.

Physical Therapist

January 2015 – Current

OrthoCarolina
Charlotte, NC

- Full-time staff Physical Therapist caring for the general population with orthopedic conditions. Partnering with a Physical Therapist Assistant to care for both post-operative and non-operative patients across all ages. In this setting, also provided multiple in-services on varying topics focused on rehabilitation for athletes.

Physical Therapist

September 2013 – September 2014

Professional Physical Therapy and Rehabilitation
Jacksonville, NC

- Full-time Physical Therapist during off-site participation in the University of St. Augustine's Orthopedic Residency Program. Treating a variety of pathologies, primarily orthopedic in nature, along with vestibular and neurological diagnoses due to our close proximity to the Marine base, Camp Lejeune, while overseeing multiple Physical Therapy technicians and a Physical Therapist Assistant. Our patient population included varying age groups of active duty military members, Veterans, local athletes, and general civilians.
